### 75. NO E'S PLEASE!

In the English translation of the novel, *A Void* by Georges Perec, the letter *e*, the most often used letter in the English alphabet, does not appear once! Here is a portion of Perec's first paragraph. After reading it, see if you can do the same with a 100-word paragraph in which you do not include the letter *e* a single time.

Incurably insomniac, Anton Vowl turns on a light. According to his watch, it's only 12:20. With a loud and languorous sigh, Vowl sits up, picks up his whodunit and idly scans a paragraph or two . . .

Here is your chance to write an "e-less" 100-word paragraph:
